

Witnesses To Attend Convention

Jehovah's Witnesses in the Antioch area will attend the final of the 1969 conventions Sept. 26-28. The Assembly site will be the Warren Township high school, 500 O'Plaine Road, Gurnee, Illinois.

David Mitchell, presiding minister, said that the convention sessions will center around the theme "Right Kind of Ministers." The program will emphasize the house-to-house and free home Bible study activity of Jehovah's Witnesses.

"Our international assemblies here in the United States this summer will provide an encouraging attendance background for our Gurnee convention," Mitchell said. "No doubt some of the interest that led 56,261 to attend the White Sox Park convention in July will carry over to our smaller assembly in Gurnee."

Final attendance figures for the summer conventions show 122,000 in New York; 55,000 in Buffalo; 59,000 in Atlanta; 40,000 in Kansas City; 95,000 in Los Angeles; and 65,000 in Vancouver, B.C.

Mitchell also remarked that these attendance figures are reflections of the local area congregations of Jehovah's Witnesses. Even though five meetings are held each week attendance is usually around 100 per cent of the congregation and in some congregations is running as high as 140 per cent.

"We consider this particularly interesting because church attendance world-wide is on the decrease. Some countries report attendance as only 4 and 4 per cent of the membership. Recently a minister whose church was involved in a merger with another and where attendance was only 100 out of a 450 seat church said that this kind of 'yoked congregation' is increasingly necessary for 'sheer survival,'" Mitchell said.

It was also announced that Wayne M. Knott, 47, has been appointed by the Watchtower Bible and Tract Society to be district supervisory of Jehovah's Witnesses in the Midwest. He will deliver the principal discourse at the Gurnee assembly on Sunday, Sept. 28, 3 p.m. His subject will be "True Worship Versus the False."

New AGHS Staff Members To Hear About Antioch

Part of the program on Friday, August 29, for the orientation of new staff members to the Antioch Community High School system will be a "Bird's Eye View of the Antioch Community."

Special guest speakers on the topic will be Mr. LaVerne Woods, President of the Antioch Chamber of Commerce, who will discuss the Business and Industrial development in the area; Mr. Morton Engle, President of the Waukegan-Lake County Board of Realtors, will explain the rapid growth in residential construction in the Lake Villa, Lindenhurst and Antioch areas.

Mr. Edwin Krupo, President of the Chain-O-Lakes Resort Owners' Association, will describe the recreational facilities available in the Chain-O-Lakes region.

On Tuesday, September 2, the entire High School faculty will hear, as part of the day-long workshop, a talk by Dr. Ernest Dear, Dean of Instruction of the College of Lake County. His topic will be "Characteristics of a Good Teacher."

Elaine Palm Promoted

The Board of Directors of the First National Bank of Antioch has appointed Mrs. Elaine Palm assistant cashier.

The action took place at the board meeting held Thursday, Aug. 21.

Mrs. Palm, who has lived in Antioch since 1948, is married to James P. Palm. They have one

Mrs. Elaine Palm
son, James Kenneth, serving in the Armed Forces in Korea.

Mrs. Palm is a graduate of Carl Schurz High School, Chicago, and has attended the American Institute of Banking classes in Principles of Banking and has taken courses in real estate and college business law.

She has been in the banking field for eight years. Prior to that time the Palms were in business for themselves.

She is a member of the Antioch Methodist Church and the Credit Women's Club and Club Internationale.

Children Register On Sept. 2

School buses will begin operation the first day of school, Tuesday, Sept. 2, at the Antioch Grade School, picking up children eligible for bus transportation in the morning and returning them to their homes before noon after completing registration.

At 11 a.m., J. Trierweiler of the Horace Mann Insurance Co. will talk to the faculty about the insurance program and a luncheon in the school cafeteria for all employees and school officials will follow.

Teachers will participate in an afternoon workshop in the school gymnasium following lunch with the main program to be discussion of the new mathematics program.

Antioch and Oakland Kindergarten children will register at the Methodist Church in Antioch on Sept. 2 in two shifts.

Those living outside the village will register in the morning and attend the morning session at the

(Continued on page three)

Stewart Named To Post

Harry Stewart has been appointed to fill the unexpired term of Fred Wacha on the Antioch Grade School Board of Education and was installed at the last meeting.

Final plans were presented for construction of the new middle school on Rte. 173 and bids have been advertised with the bids returnable on Sept. 30.

Trustees approved a raise from \$6,800 to \$6,900 as the base teacher salary but professional negotiations with the faculty were held open pending final action on bills before the governor.

The United Methodist Church and the board entered into a contract for rental of 7 classrooms, office space and use of Wesley Hall at a monthly rental of \$900.

Bids on the new school include general, plumbing, ventilating, electrical, heating and construction.

All bids must be in by 8 p.m. Sept. 30 when they will be opened and read aloud.

Pilot Program Started

A pilot program of microfilming records of circuit court clerks specified by the Illinois Supreme Court has received final approval with the Governor's signing of a bill appropriating \$50,000 to start the project in Jefferson and Logan counties, Secretary of State Paul Powell announced today.

"Experts from my office will be available to help plan and do the groundwork for the Supreme

Charles Cappell is among eight new teachers at Antioch High School this year.

Sheriff Depulies Sel Annual Dance

The Lake County Deputy Sheriffs' Association will hold its 26th annual dance on Saturday, Sept. 13, at 9 p.m., in the Chevy Chase Country Club, Rte. 21 south of Half Day.

All proceeds from the dance will be applied to the Association's insurance fund which provides medical and hospital benefits for active-duty deputy sheriffs and their families.

VOL. LXXXIV. NUMBER 10

Antioch Vietnam Veteran Is Home Safe, Sound

Terry Harrison, 20, twice wounded in Vietnam action, has returned home safe and sound.

Terry, who surprised everyone by arriving home Monday, had not been really scheduled for rotation back to the United States for another week, but his return was moved up.

His parents, Mr. and Mrs. John Harrison were overjoyed, however, that their only son came back sooner than expected.

The husky, reddish-haired youngster, of 880 Hillside Ave., Antioch, still has six months to go in the service, but at the present time that will be spent at Fort Riley, Kansas.

Legal Aid Available In County

One of the long known but little acted on weaknesses of the judicial system is that it costs a lot of money to fight for one's rights.

In other words, as it seems to have worked out, all citizens are entitled to equal rights but citizens with money can more effectively use their right to seek justice.

Legal Services Programs, partially funded through the Office of Economic Opportunity, are intended to be one means of rebalancing the "scales of justice."

The purpose of Legal Aid is to provide legal service and access to the courts to all people who would not otherwise be able to "seek justice" because of their inability to pay for a lawyer's services.

The Lake County Legal Aid Office, (sponsored by the Lake County Bar Association) has been located at 11 So. County St. in Waukegan for 2 1/2 years.

There are three full-time staff attorneys in this office.

These attorneys are authorized to handle Civil Law matters only (criminal matters are taken by the Public Defender's Office) for low income residents of Lake County.

Examples of Civil Law matters are: Landlord-tenant disputes; consumer problems such as wage garnishments and cases involving finance companies; claims against administrative agencies such as the Social Security Administration and Public Aid Office; pensioners' and workers' claims; family problems.

For information and appointments, contact the Legal Aid Office at 662-6925.

Sgt. Harrison, while in Vietnam, was a squad leader and for the first six months of his stay in the combat zone was occupied with combat patrols, ambushes and the like.

He entered the service under the draft situation on April 8, 1968 and found himself in Vietnam on September 1 of that same year with the 25th Infantry Division.

A 1966 graduate of Antioch Township High School, Terry spent most of his time in the combat zone around the Trang Bang area in the Tay Ninh Province.

Terry received his first Purple Heart on Oct. 14 during a mortar barrage and was again wounded on Dec. 10, this time suffering a head wound. The first wound was to the right hip.

Terry also earned the Bronze Star for heroic action during the fighting, the Army Commendation Medal and the Combat Infantryman's Badge, as well as the Vietnamese campaign ribbons.

The youth typified Vietnam as a "backward country whose people are less fortunate than us."

"I don't want to go back there," he said, "but that country and its people have got to receive our aid if they want to develop into a forward thinking country."

Terry said that he found that most of the people there were straightforward if you were the same way with them.

"It was a two-way street," he said. "They told you what you wanted to know if you were good to them."

Terry, who worked for Commonwealth Edison Co. prior to going into the service said it was great to be home.

"You can believe me when I say it is more relaxing," he said. The young man plans to go back to the University of Wisconsin to study electronics when he is finally released from the service.

Recover Body Of Caretaker From Lake

The body of Elmer Hicks, in his 60's, was found last Sunday in Lake Marie near Antioch by a fisherman.

Identity was made by a doctor for whom he worked as a caretaker.

Hicks had died of drowning, according to an autopsy report from Lake County Coroner Orville S. (Pat) Clavey. Hicks' boat was found floating near shore.

Clavey said Hicks, who apparently lived alone, had been in the water about 10 or 12 hours before he was found.

Terry Harrison is back home from Vietnam.

Motorist Saves LV Man

Harry C. Shank, 64, of RFD 2, Box 646, Rte. 45, Lake Villa, was saved from possible death Saturday by a quick thinking motorist.

Shank, who was taken to Victory Memorial Hospital for x-rays of possible chest injuries, was injured after a tire jack collapsed while he worked beneath his auto.

Shank was driving on Grand Avenue, east of Rte. 45, he told authorities when his vehicle struck an obstruction on the road, causing the muffler to drop down.

He pulled off the road and put the vehicle on a bumper jack to repair the damage. While beneath the auto, according to Deputy Sheriff James Hession, the jack collapsed, trapping Shank beneath the vehicle.

Donald Kennedy, of 320 W. Maple Ave., Libertyville, who was passing by, spotted Shank's plight and stopped.

He used his own car jack to raise the disabled car enough to pull the injured Lake Villa man out.

Forest Preserve Budget Increased

A tentative annual budget and appropriation ordinance totaling \$3,270,250 was presented to commissioners of the Lake Forest Preserve District at the August 21st meeting. This is an overall increase of \$177,775 over the current fiscal year ending June 30, 1970. Action on the budget covering fiscal 1970-71 is expected at the next meeting, scheduled for September 18.

Increased costs are anticipated in administrative and general expenses for custodial and maintenance help, equipment, insurance and upkeep of buildings and grounds on the preserves public properties.

A \$1 million increase in the appropriation for land acquisition was called a "shopping list" by Commissioner E. Kenny Harlan, chairman of the land acquisition committee. Harlan said the committee is contemplating expansion of Van-Palton Woods, Lakewood Preserve, the Ryerson Conservation Area and is still working on details of the area west of Waukegan known as the "green belt."

The \$1 million earmarked for acquisition is not reflected in the overall increase due to decreases in interest payments on retirement of forest preserve corporate

bonds.

An ordinance providing for the designation of the 247 acre green belt was not presented, though it had been on the regular agenda. Commissioner Harlan said a meeting was held Wednesday between representatives of the district, the cities of Waukegan and North Chicago and the Foss Park board to discuss mutual cooperation on the proposed project. Harlan told fellow commissioners that certain problems must be resolved before the resolution can be brought before them for a vote. He did not elaborate.

Commissioner Rolland J. Sandee of Waukegan, a member of the land acquisition committee, said the general idea for the green belt is to achieve as much integration of the property as possible, even south of 22nd Street in North Chicago.

Sandee said the department of Housing and Urban Development has shown considerable interest in the green belt concept and it has the support of Waukegan Mayor Robert Sabonjian.

Chairman Alex Brebner of the policy and planning committee reported on a tour of the Ryerson area recently to inspect vandalism.

John Bonner Reports From West Berlin

EDITOR'S NOTE: John Bonner, Rt. 2, Lake Villa, is one of six Illinois delegates participating in the 1969 International Farm Youth Exchange (IFYE). This educational six-month program involving 35 countries and 200 young people is conducted by the National 4-H Foundation for the Cooperative Extension Service and the Ministry of Agriculture in Germany. Financial support on the state level comes from the Illinois 4-H Foundation through 4-H Clubs, local organizations, business concerns, Rural Youth and individuals interested in world understanding. The Lake County Farm Bureau and the Kellogg Foundation were major contributors to Bonner's program. Part of John's program responsibility is to share his experiences through a series of letters while in Ceylon and through programs when he returns. Until December, 1969, his address is John

Bonner, c/o Miss Amteratin Karin Hinrichsen, Postfach BML, 53 Bonn, Duisdorf, Germany.)

The City of West Berlin is a state of Germany just as Illinois is a state of the United States of America. It is a state, but it is more than a state; it's almost an island.

One cannot help but notice the great piles of coal and brick that are stored within the city.

This one island of freedom that lies within the ocean of Communist East Germany has enough reserves of almost everything to keep it functioning for six to eight months if the access to the city by land and water were to be closed again as it was in 1948-49.

The city is surrounded by a guarded wall but the people here love their city and would not think of moving to West Germany. The city is the largest industrial city between Paris and Moscow and is

growing larger each year.

There is a labor shortage here and it is common to find "guest workers" from Turkey, Greece, or Italy working here for six to eight months of the year.

The people here are very aware of Communism and what it can do to people and their families. The wall reminds them daily but most accept it and ignore it for now. There is constant talk and hopes that Berlin and Germany will one day be reunited.

Every Berliner remembers that President Kennedy said here "Ich bin ein Berliner." Most can even tell you the building he was speaking from when he said it.

Now it is Friday and the family has decided to visit relatives in West Germany. In order to drive to West Germany, one must drive about 130 miles through East Germany on the autobahn. On leaving the American sector one drives through two barriers

in the Soviet sector before coming to a large parking area.

Here all cars, trucks and buses must stop. First the driver must pay 5 DM (\$1.25) for a car pass. Then he must pay 10 DM (\$2.50) for each person for a visa. All passports are then collected and are checked against East German files to see if you have escaped or if there is any reason to hold you there.

The process usually takes 10-15 minutes but when there is a slowdown, it can take an hour or more. Once the passport is approved a person can drive to the next check point (about 100 yards). Here the passports are checked again but only by looking at faces and comparing them to the passport pictures. After this there may or may not be an auto check. This consists of opening the trunk, hood, lifting the back seat and removing everything

(Continued on page two)

Fifty High School students from Chicago, some from the Inner City, were in our town last week to donate two hours of time to pick up paper in the village. The youngsters were brought here by the Rev. James Gwinn,

camp director at Camp Moyoca at Loon Lake where the youngsters were having an outing. The camp is owned by the Moody Church in Chicago.

Wiretapping Poll

A recent Gallup Poll has us wondering just how many people are on the side of law and order.

It was one taken on the question of wiretapping in order to obtain evidence against criminals.

Nationally, according to the polls, 46 per cent were for it, and 47 per cent against it.

The other 7 per cent was undecided.

Now we are the last to advocate the invasion of privacy of an individual—until it comes to the criminal element.

We can't understand how 47 per cent of the persons queried can be against this necessary tool to fight the criminal elements that take the average citizen for everything it can.

One executive said he was for it in the matter of national defense and against the Mafia, but he opposed it for petty crimes.

Who is to determine what is a petty crime?

The \$10 bill that is taken from a widow with several children to feed is much more vital to her than thousands of dollars taken from a bank.

Others maintain that we are getting to the "Big Brother" stage with wiretapping.

It would seem to us, if you can believe FBI head J. Edgar Hoover when he says crime is increasing faster than the population, then somebody had better be watching out for us.

Others cry that there are other ways to stop crimes without the bugging of personal conversations.

We say that the criminal element uses electronics against the law-abiding citizen, so why not turn the tables one time and do it to him.

The average person would never come to the attention of authorities with wiretapping privileges and we are naive enough to think that it wouldn't be overdone.

There is one thing we wonder about these polls though.

We have never been asked.

And we wonder if any police officers—those charged with keeping law and order—were queried.

We think the results might have been a little different if they were.

Inflation Bugaboo

Inflation seems to be the big bad thing these days.

People are asking why interest rates are so high?

What is the prime rate and what has that got to do with your budget?

The answers all have to do with inflation.

Whenever the supply of money grows faster than the supply of goods, prices go up. That is what has been happening in this country for the past several years.

The money supply has been increasing for one reason.

Uncle Sam has been spending more money than he takes in and the country has, in effect, printed money needed to cover the deficit in 1967 and 1968.

What makes the situation worse is that when prices are rising, people borrow more and more money.

The government and the Federal Reserve are both taking action to brake inflation. They have stopped printing money so fast.

The government is trying not to spend more than it receives.

That might not be a bad thing for us to follow.

Maybe if we all pull together we can beat the inflation bugaboo and get back to what we like to refer to as the "good ole days" when money meant something.

Your Congressman Reports....

By Cong. Robert McClory

President Nixon's recent round-the-world trip revealed a new Far East policy which is likely to guide our nation for many years to come. The Truman-Dulles policy which has controlled our actions for more than 20 years was designed to protect our Far East allies with American arms against threats both from without and within. Under this policy we have assumed full responsibility for the defense of Japan. Unfortunately, it also has involved us in bloody wars in Korea and Vietnam. This policy has been modified substantially by the President's clear pronouncements in Guam, Manila, Djakarta, Bangkok and elsewhere.

Perhaps the most reassuring part of what may become known as the "Nixon Doctrine" is the statement that the Asian nations must assume the primary responsibility for defending their own national integrity. He warned that "there must be no more Vietnams."

President Nixon emphasized that future American support would be mainly economic and not military, and that even in the economic field our nation preferred to handle such aid on a multilateral basis.

With the de-emphasis on military activity in the Far East, there is widespread speculation regarding the abandonment of numerous Far East military bases. It is clear that the United States will discontinue all but a few of its 32 military bases in Japan, and it is quite likely that military installations in the Philippines and elsewhere will be reduced substantially in number and in size.

In enunciating the Nixon Doctrine, the President has reiterated the determination of our nation to respect its SEATO obligations which should help in the defense of Thailand and other Southeast Asia member nations against Communist aggression. However, it appears that the main emphasis of our military support will be to deter enemy nuclear threats by relying upon our own nuclear strength. Finally, the President made it patently clear that "there are no secret commitments to any country."

In the light of the President's words and actions, we should expect the program to "Vietnamize" the war in South Vietnam to proceed at an accelerated pace with troop withdrawals and other de-emphasis of military activity in the Far East to continue in the months and years ahead.

Letters to the Editor

Dear Sir:

On behalf of the 10th District American Legion Auxiliary and myself, I wish to express our grateful thanks and deep appreciation for the splendid cooperation and consideration you have given our publicity releases. Without your cooperation, I would never have been able to achieve the state honors in both the Illinois American Legion and the Auxiliary, at their recent state convention.

There are over 5,000 Legionnaires and nearly 2,300 Auxiliary members in the 10th District American Legion and the Auxiliary, which is comprised of 24 Legion posts and 22 units in Lake County.

Sincerely yours,
Del Jahneke

(Mrs. Edward Jahneke, 10th Dist. Publicity Chairman, American Legion Auxiliary, Dept. of Ill., Rt. 5, Box 327, Antioch, Ill. 60002)

John Bonner Reports

(Continued from page one)

After all these check points a person may then proceed to drive the 130 miles of autobahn to West Germany.

Stopping is only allowed in rest areas or for fuel and departing from the autobahn is prohibited. There are a great number of West Germany autos and West Berlin autos on the autobahn, but not many East Germany autos simply because they do not have many and those they do have are quite old by our standards.

Upon arrival at the West German border the entire process of checking the passports and the car is repeated only with more interest in the car.

The only difference here is that one does not have to pay 10 DM for each person and 5 DM for the car.

It is always an interesting experience for a West Berliner traveling the autobahn because one never knows what the border guard will do or if they will detain one person as they did with one Berliner (this last weekend).

The reason for holding a person is never known until he is released unless it is for a long period of time.

Auf Wiedersehen,
John Bonner, IFYE
Germany

Tryouts Announced For PM&L Comedy

PM&L, Inc., Antioch's Little Theatre group announces tryouts for the hilarious Neil Simon comedy, "The Odd Couple," from 7:30 to 9:30 p.m. on August 28 and 29 at the PM&L Theatre, 87 Main St., Antioch.

Gary Richter is directing this production which will be presented Oct. 17, 18, 24 and 25.

Both cast and crew are needed so anyone interested is urged to attend. No previous experience is necessary.

Charter Issued To Antioch Group

Secretary of State Paul Powell has granted a state charter for a not-for-profit corporation to Gifford's Fair Oaks Association, Rt. 3, Box 261, Antioch.

Principals were listed as Maxwell Fields, John F. Volk and Clarence Domke.

Red Cross Hurricane Costs High

The massive American Red Cross emergency relief and recovery assistance for thousands of victims of Hurricane Camille will cost a minimum of \$6 million, according to E. Roland Harriman, Red Cross chairman.

One experienced Red Cross disaster specialist called Camille "the worst we've ever experienced—combining the fury of a tornado with the widespread devastation of a hurricane."

With more than 70,000 victims still getting emergency food and shelter in more than 300 Gulf coast shelters, the job of surveying the damage and estimating the size of the recovery effort has begun—hampered by washed-out roads and broken communication lines.

To raise the \$6 million needed, Red Cross has launched a nationwide emergency fund appeal. Thousands of families have no means of returning to a normal way of life except through the generosity of the American people

as expressed through the Red Cross, Harriman stated.

Harold F. Grumhaus, chairman of the Mid-America Chapter of the Red Cross, said, "the people of Chicagoland have never failed to respond generously when asked to help those stricken by disaster, and I know they will help in this emergency."

Contributions to assist Hurricane Camille victims may be sent to the American Red Cross, 43 East Ohio Street, Chicago 60611, Grumhaus said.

One of the first local businesses to assist Red Cross in its relief efforts was the Illinois Central Railroad, which has supplied sleeping cars, a dining car, and an office car for the use of Red Cross disaster workers in Gulfport, Miss., where living accommodations are practically non-existent.

In other areas where road washouts have made travel next to impossible, Red Cross personnel and supplies are being ferried in and out of isolated communities by Army and Coast Guard helicopters.

DRIVING FOR TRAFFIC SAFETY

by Paul Powell
Secretary of State

It won't be long until school starts, but now the weather is at its best for outdoor play, and the kids will be on the go from morn till night.

This means that more often than usual they will be faced with traffic problems. Many times a day, during the rest of the summer they will be crossing streets, heading traffic signals and the flow of traffic. It is the duty of the parents of all youngsters to remind them of the safety lessons they learned in school.

It is just as important for a child to know and obey the Rules of the Road, as it is for the driver. Children must be taught to respect the rights of the automobile. They must also be taught the dangers that arise on the highway, and the problems they can cause when they unthinkingly run onto the highway.

For a copy of "Rules of the Road", send to Secretary of State Paul Powell, Springfield, Illinois, 62706. Study your copy with your children so that they know what is right and what is wrong as well as what their rights are on the highway.

NELSON'S REAL ESTATE

Antioch, Illinois

All Kinds of Insurance

881 Main St. 395-4420

Officials of the Association of Illinois Electric Co-operatives include General Manager Thomas H. Moore, of Springfield, seated, Edward C. Timmer of Pinckneyville, left, secretary treasurer, and standing from left, Robert F. Zook of Athens, president, Raymond W. Rustberg, Valmeyer, Illinois' director to the National Rural Electric Cooperative Association, and Menard B. Luebbers Jr., of Carlyle, vice president.

Co-ops Take Steps To Improve Service

Giant steps for mankind—those already taken and those that must still be taken—receive the attention and study of electric cooperative leaders from throughout Illinois at a three-day meeting in Springfield last week.

Just as Astronaut Neil Armstrong took a giant step for mankind, so too are the state's 30 electric cooperatives taking steps to improve the social and economic welfare of its rural service areas and, in turn, all of Illinois, said Raymond W. Rustberg in an opening session of the 28th annual meeting of the Association of Illinois Electric Cooperatives. Rustberg is the outgoing president of the statewide association.

In other sessions, the more than 400 persons attending the meeting heard such speakers as Gov. Richard B. Ogilvie, Rural Electrification Administration Administrator David A. Hamill, State Senator Cecil A. Partee, a Catholic nun and several rural electrification leaders as they urged continued development of rural Illinois.

Gov. Ogilvie spoke of economic and educational opportunities needed to keep young people in rural Illinois. "We are the greatest exporting state in the nation, but this one export we cannot afford," the Governor said, referring to young people whom he described as "our most priceless natural resource."

"With your distinguished record of meeting a proven need and aiding in the development of an important segment of our economy, I know we can count on the electric cooperatives of Illinois for help in this venture," the governor told the crowd.

Future challenges and opportunities also were discussed by Administrator Hamill who predicted industry will locate in rural America in increasing numbers.

"And Illinois, being a centrally located state, is going to get a

lot of this new growth," Hamill said as he noted that electric cooperatives must be prepared to provide sufficient power for these growing needs.

The administrator turned to financing needs as he said that the Rural Electrification Administration endorses the aims of the newly organized National Rural Utilities Cooperative Finance Corporation. This institution, vested with funds from electric cooperatives and the private money market with no tax money involved, is designed to lessen somewhat the rapidly growing need for REA loans.

Hamill said federal loans will continue to be needed as he urged wide participation in the new financing plan which he described as "self help of the finest sort and it makes good sense for the government and for the rural electrification program."

A status report on the finance corporation was given AIEC delegates by J. K. Smith, the institution's president. All of the nation's 1,000 rural electric systems are being invited to join the lending agency which Smith called a "major undertaking that is beginning a new era in the rural electrification program."

He said 68 per cent of the nation's land mass lies in areas served by electric cooperatives and the growth that develops will bring heavy demands which the new lending institution will help meet.

Sen. Partee of Chicago told another session that he has supported the electric cooperatives because "I've tried to support all legislation which is progressive and which is good for all the citizens of Illinois."

The giant redwoods of Sequoia National Park were even larger than anticipated, and were in their stately fashion, breath-takingly beautiful. Next on their horizon loomed the majestic beau-

2 Million Will Hit Road On Labor Day

Labor Day weekend, last of the summer holidays, will lure almost two million people out of Chicago and onto the highways, according to the Chicago Motor Club-AAA.

Estimates from the club's touring department indicate 530,000 cars will carry 1,900,000 persons out of the metropolitan area for trips within a 350-mile radius of the city.

Departure estimates from the area are: Friday, Aug. 29, 300,000 cars; Saturday, Aug. 30, 170,000 cars; and Sunday, Aug. 31, 60,000 cars. Adding to the traffic load will be an estimated 185,000 cars moving within the Chicago metropolitan area each day of the weekend, including Labor Day, Sept. 1.

Peak return traffic is expected between 4:30 and 9:30 p.m., Labor Day, when most of the 530,000 cars that left the area will be headed for home.

Gerald W. Cavanagh, motor club president, urged motorists to observe these "Bring 'Em Back Alive!" traffic safety tips:

—Allow plenty of time for the trip. Leave early and stop early for the night. This is one way to avoid heavy traffic and needless fatigue.
—On long expressway trips, stop at designated rest areas every 100 miles or so for a stretch and a refreshment break.
—Don't drink alcoholic beverages if you will be behind the wheel.
—Familiarize yourself with traffic regulations of the area you plan to visit—obey them.
—Enjoy the scenery but don't neglect your driving. It's a full-time job.
—Make sure your car receives a mechanical check-up before you leave.
—Drive at a speed consistent with road and weather conditions, regardless of the posted speed limit, but do not exceed limits.
—Treat other motorists with courtesy and consideration.

4-Hers To Conduct Workshop

The Lake County 4-H Junior Leaders who attended the "Mission Impossible" Workshop at Kankakee in June and whose who attended the Leadership Camp at Monticello in July have planned a 4-H Workshop September 6 at the Extension Building in Grayslake.

The day will begin with registration at 9:30 a.m. and end approximately at 10:00 p.m. The Workshop, packed with ideas and fun, is planned as a training session for 4-Hers who are 13 years of age or older and are planning to be Junior Leaders, or are already a Junior Leader in their local 4-H Club.

Many varied activities are planned for the day, including flag raising and lowering ceremonies, recreation, a slide program, and a dance. Interest-study sessions will also be held during the day. Discussion during these sessions will focus on topics such as Music, People-to-People, Citizenship, Safety, Money Making Activities, Demonstrations and Talks, 4-H Club Week, Tours and Trips, Health, Recreation and Simplifying Projects for Younger Members.

Bill Regner, a member of the Volo Agricultural 4-H Club is chairman of the Workshop Committee. Assisting him are John White of the Millburn Hornets 4-H Club, Registration Chairman; Gordon Turnbull of the Libertyville Agricultural 4-H Club, Publicity Chairman; and Judy Hevdejs, Sequoit Suzies' Program Chairman.

Call the Extension office, BA-3-4844 or BA-3-5844, for further information.

ism to some of the cabins. The area is not open to the public as yet. Brehner said a decision will be made as to which cabins will be preserved and which should be razed.

On another matter, Brehner said the policy and planning committee is considering some changes in rules governing usage and hours in the preserves for next year. District President Ernest W. Minter told the commission that an average of 6,000 persons are using the preserves each

week, which he said is a considerable increase over last year.

Jerrold Soesbe, district director, and Robert Towler, forester, said there have been some problems recently with large groups leaving a mess behind after using the preserves.

"Most organizations," Soesbe said, "are meticulous about cleaning up after an outing. It is unfortunate that so few people do so much to ruin the beauty of the surroundings in such a short time."

Soesbe urged everyone using the preserve to pick up any debris or litter they may have dropped before leaving.

Pilot Program...

(Continued from page one)

Court to facilitate this microfilming pilot project in Jefferson and Logan Counties," Powell said. "If this test program proves successful, and we believe it will, considerable savings of state monies could be effected to

all state departments by paying a nominal fee for the use of the established system of microfilming now existing in the office of Secretary of State."

Secretary Powell pointed out that the Archives Division of his office is already geared to programming and microfilming records for retention, not only for the various divisions of his office, but for many months now has been servicing numerous outside departments, boards and commissions.

"It is a fact that many important and historical state documents have suffered in the past from excessive handling, water and mildew damage, fire, and in some cases, have been misplaced or inadvertently thrown away," Powell said. "All of this could be avoided in the future by utilization of our current facilities, which will not only insure preservation but will also eliminate the many files, drawers and cabinets now being used to house these voluminous records."

Children Register...

(Continued from page one)
church from 8:45 a.m. to 11:15 a.m.

Those living within the village will attend the afternoon session of the first day with the regular morning and afternoon sessions in full operation on Sept. 3.

Kindergarten children attending the morning session at Channel Lake Building will register Tuesday morning, Sept. 2 and their class will be in full swing on Sept. 3.

Both A.M. and P.M. kindergarten children normally attending the Oakland building will register in the morning on Sept. 2 and attend classes at the Methodist Church. Regular classes will begin the next day.

Parents may take their kindergarten children home immediately after registering them on the first day.

The kindergarten fee for the year will be \$7.50 payable at the time of registering. Book rental fees are as follows:

Grades 1 through 4—\$3; 5 through 8—\$4; school insurance—3.50; September lunch—\$8; and Sept. milk—40 cents. The cafeteria will open on Sept. 3.

Topics for Today's Women

THURSDAY, AUGUST 28, 1969 THE ANTIOCH NEWS-4

Mr. and Mrs. Eugene Zannini, of Circle Drive, Channel Lake, have announced the engagement of their daughter, Julie, to George Sedivec, son of Dr. and Mrs. George Sedivec, Grass Lake Road, Antioch. The bride-to-be graduated from Carmel High School and now attends Marquette University in Milwaukee. She will graduate next year from the college of dental hygiene. Her groom to be is also attending Marquette University where he is a pre-dental student. No wedding date has been set.

Social Notes

By Del Jahneke

The Tom Jacobsons, Beach Grove, accompanied by their daughter, Mrs. Don Rodgers, Oakwood Knolls, have just returned from a four day round trip to Blenheim, Ontario, Canada. They attended the large and lovely wedding of Esther Jacobson's nephew, Richard Sievert, to Miss Margaret Little, held in the picturesque century old red brick Trinity Anglican Church in Blenheim. Two pleasant surprises were in store for them—they met "Miss Canada"—very beautiful—at the wedding, and had the unexpected thrill of seeing Miss Marilyn Sievert, the bridegroom's sister, of Munich, Germany. Miss Sievert has been a school-teacher in Germany the past six years.

An unusual note occurred at the close of the marriage ceremony, when a bravely killed Scotsman, fully attired in brightly colored Scotch regalia strode down the aisle to the wedding party. He then escorted the bride and groom and other wedding attendants from the church to the lilting strains of his Scottish bagpipes.

The bridegroom's parents, the Karl Sieverts, held a second family party after the wedding reception. The consensus was "it was indeed a fun-filled four days!"

The Bernard Stadick family has completed a 6,000 mile round trip to California and back, taking the familiar Route 66 most of the way there. The Painted Desert enthralled them with its many, varied pastel shades of color, and the large green cactus and cacti flowers. Petrified Forest with its huge stone trees, that had been living trees, were an oddity never encountered before.

The Grand Canyon, with its deep chasms, beautifully hued rock canyons, carved by centuries of wind, river and the elements, impressed the Stadicks deeply. They visited Meteor Crater at Winslow, Arizona. This crater, created by a fallen meteorite, is 575 feet deep, 4,000 feet across its rounded rim, which rises 175 feet above the level surrounding plains.

Then, on to Los Angeles, where they toured the Movieland Wax Museum, which is filled with the life-size images of many screen stars, both living and dead. An-

other attraction was seeing Marineland, with its dolphins, porpoises, whales and other varieties of the deep sea fish world.

Knott's Berry Farm was next on the Stadicks' agenda, with its authentic replicas of an old ghost town, replete with coal and gold mines, where one could venture down old shafts or ride donkeys in the mines. A narrow gauge railroad, equipped with its "ancient" trains, plush bottom seating, and kerosene lanterns, was available for viewing the surrounding countryside. One could ride again in the old stage coaches, reliving our pioneer heritage past.

One building in particular was designated as the "Declaration of Independence" Hall. There, while the audience sat in the darkness, "voices" issued forth from the various writing desks, making history "come alive" as the famous personages of that era "discussed" the justly famed Declaration.

Disneyland next engaged the Stadicks' attention. They related that all the "superlatives" used in describing Disneyland cannot do it justice—it was great fun for young and old alike.

The Busch Gardens with its cable ride down into its depths, was a new experience for the Stadicks. They toured the Busch Beer factory, which has made possible this fabulously beautiful garden, with exotic plants and fantastic ferns from all over the world. The air is melodious with the songs of lovely, brilliantly plumaged birds. Some birds were caged, but flew freely in this man-made paradise. Boat rides on a scenic blue lake added the final touch of beauty to this setting.

A pleasant visit with the Kenneth Heuers followed. The Heuers (Jane Hunter Heuer) are former Antioch residents. A trip to the Farmer's Market did not live up to the Stadicks' expectations. Its sheer mountainsides with dark green pines and firs, swiftly flowing rivers and iridescent, shimmering waterfalls, had the Stadicks convinced that this Park was the loveliest they had ever seen.

On to San Francisco, with its Golden Gate Bridge and famed Fisherman's Wharf. A quick visit to Reno, Nevada, and Split Lake City, and the Stadicks resumed their homeward trek. Their next destination was Fruita, Colorado, where they were guests of the John Barkus family.

They spent a day at the nearby Colorado Monument, where spectacular, geological features abound. The semi-arid atmosphere, the steep, towering rocks are typical of much of the west. The Stadicks climbed the huge Grand Mesa. On its summit, small turquoise lakes and evergreens made quite a contrast to the desert plains. These exquisite little lakes teemed with rainbow trout, and the Stadick girls caught several small fish.

As they passed through Loveland Pass, which is part of the Continental Divide, there were al-

Where The Boys Are

USS NICHOLAS, Aug. 18—Gunnery Mate Third Class Robert M. Hammitt, USN, son of Mr. and Mrs. Robert B. Hammitt of Rte. 3, Lake Villa, Ill., helped take part in a rescue operation recently when his ship, the destroyer USS Nicholas, rescued a pilot whose plane crashed before landing aboard the aircraft carrier USS Bon Homme Richard.

The pilot was returning to the carrier from a combat mission over Vietnam when he crashed about four miles behind the Nicholas.

Nicholas lookouts spotted the downed aircraft's emergency light and crewmembers helped direct helicopter-rescue operations to return the pilot to the carrier.

Search and rescue is just one of the jobs of a navy destroyer involved in combat operations off the coast of Vietnam.

Nicholas, homeported in Pearl Harbor, is engaged in gunfire support for U.S. and Allied forces. It is a unit of Destroyer Flotilla Five, U. S. Seventh Fleet.

BILOXI, MISS.—Airman First Class Allen J. Kates, son of Mr. and Mrs. James H. Kates of 1811 Academy Drive, Lake Villa, Ill., has graduated from a U. S. Air Force technical school at Keesler AFB, Miss.

He was trained as a radio repairman and assigned to a unit of the Air Force Communications Service at Clark AFB, Philippines.

The airman is a graduate of Carmel High School, Mundelein, Illinois.

U. S. ARMY, Viet Nam—Army Private First Class Lee A. Gagnebin, 22, son of Mr. and Mrs. Leand A. Gagnebin, Route 2, Antioch, Ill., was assigned July 30 to the 101st Airborne Division (Airmobile) in Vietnam as a rifleman.

CAMP LEJEUNE, N. C., Aug. 18—Hospitalman Apprentice Donald J. Decker, USN, nephew of Mr. and Mrs. Arthur T. Soby of Route 5, Antioch, Ill., completed a five-week course at the Field Medical Service School, Marine Corps Base, Camp Lejeune, N. C. Among the subjects covered at the school are: field first aid, preventive medicine, sanitation and weapons orientation.

During the final week of training he participated in a three-day field exercise in the practical application of all subjects taught during the course.

Army Private First Class Thomas G. Dohr, 20, son of Mr. and Mrs. Judge R. P. Dohr, 1309 Alicia Drive, Appleton, Wis., was assigned July 20 to the 25th Infantry Division in Vietnam as an infantryman.

Army Private 1st Class Thomas D. Konen, 22, son of Mr. and Mrs. Ambrose R. Konen, Rte. 2, New Holstein, Wis., was assigned July 24 to the 25th Infantry Division in Vietnam as an infantryman.

His wife, Barbara, lives at 232 S. Eighth St., Hilbert, Wis.

Real Life Crusade Set Sept. 3

The Rev. Mel Johnson of Minneapolis, Minn., and director of the radio program "Tips for Teens" will conduct a Real Life Crusade at the Fox Lake Baptist Church Wednesday, Sept. 3, through the following Sunday.

Mr. Johnson's radio program, which is heard over WMBI, AM and FM, at 5:30 daily, is also heard over a network of stations across America.

His broad experience in working with teens in addition to his valuable experience with all ages equips him to speak authoritatively to the entire family. Rallies will be held each night, Wednesday through Saturday, at 7:30, with services on Sunday at 11:00 and 7:00. The Wednesday Rally will be preceded by a Youth Banquet at 6:30.

Information concerning reservations to the banquet may be had by calling the pastor, the Rev. John L. Breitholtz, at JU 7-7723.

The Fox Lake Baptist Church is located just two miles south of Fox Lake on the Frontage road along Highway 12.

ready several inches of snow on the ground. The Stadicks then sped home, having completed this wonderful vacation in just sixteen days!

Legion Auxiliary

By Del Jahneke

Mrs. John Mould of Wauconda was installed as District President of the 10th District American Legion Auxiliary at a recent impressive ceremony at the Wauconda American Legion Home. Other district officers installed were: Vice-President, Mrs. Robert Broege, Deerfield; Historian, Mrs. Joseph Hogue, Waukegan; No. 281; Secretary, Mrs. Richard Brady, Gurnee; Treasurer, Mrs. Charles McCormick, Mundelein; Chaplain, Mrs. Philip Strand, Libertyville, and Sergeant-at-Arms, Mrs. Everett Almsworth, Lake Forest.

The installing officer was Mrs. Walter Wiles of Des Plaines, a past state president. Other installing officers were: Mrs. Al Dorn, Mundelein; Mrs. Gage Stevens, Waukegan; Mrs. Thomas Rizzo, Lake Zurich; Mrs. Walter Meyers, Mundelein; Mrs. Herbert Gleason, Libertyville; Mrs. Thomas Kinney, Lake Forest; and the installing musician, Mrs. Florence Kinman, Wauconda.

The Shavin Unit, North Chicago, received the Leona Thomas Plaque for the best year round Americanism program in 10th District, while the Frances Mieczyski Plaque for the finest year round rehabilitation program went to the Libertyville Unit.

Special recognition went to Mrs. Lovinia Brumm, Libertyville, eighty years young, for her decades of volunteer service at Downey Hospital. Mrs. Brumm is still an active volunteer hospital worker.

William Schultz, Jr., of Wadsworth was given an award as a Volun-Teen—a teenager who volunteers his services at veterans' hospitals.

Mrs. Rizzo presented Mrs. Brady with her District Past President's Pin. Other presentations were the District Memory Book to Mrs. Brady, from Mrs. Kinney; and the District Press Book by Mrs. Edward Jahneke, Antioch.

District appointments are as follows: Americanism, Mrs. Dorn; Auxiliary Loan, Education and Scholarship, Mrs. Edward Crittenden, Grayslake; By-Laws and Revisions, Mrs. Philip Cole, Highland Park; Child Welfare, Mrs. William Franzen, Vernon Unit; Civil Defense, Mrs. Norman Saukus, Lake Zurich; Communications, Mrs. Jahneke; Community Service, Mrs. John Maracher, Wauconda; Coupons, Mrs. Chester Schwermer, Libertyville; Finance, Mrs. William Schultz, North Chicago; Foreign Relations, Mrs. Harold Blackwell, Lake Zurich; Gold Star, Mrs. Howard Vaughn, Mundelein; Illini Girl's State, Mrs. John Jones, North Chicago; Junior Activities, Mrs. Richard Stastny, Mundelein; Legislative, Mrs. Norman Holt, North Chicago; Membership, Mrs. Robert Broege; Members' Liaison, Mrs. Logan Kennedy, Baxter Evans Unit; Memory Book, Mrs. Rizzo; Music Mrs. Paul Austin, Waukegan No. 281; National Security, Miss Diane Stephen, Round Lake; Parliamentarian, Mrs. H. Gleason; Past President's Parley, Mrs. Brady; Poppy, Mrs. Henry Heinsohn, Lake Zurich; Publicity, Mrs. Jahneke; Rehabilitation, Mrs. Ted Odum, Libertyville; Veterans' Craft, Mrs. Eugene Heir, Fox Lake; Volunteer Field Service, Mrs. Wm. Solberg, Zion; and Bulletin, Mrs. Ray Suzzi, Highland. District Color Bearers are Miss Sandra Brady, Gurnee, and Mrs. Stastny.

The annual Moose State Convention will be held at the Conrad Hilton Hotel in Chicago on Friday, Saturday and Sunday, Sept. 19, 20 and 21. All members are invited to attend these sessions which will help increase one's knowledge of the responsibility they have assumed.

The governor of the Antioch Moose, Jerry Kusch would like to remind the members of the many activities that have been planned for their enjoyment. The September bulletin will be in the mail soon and all members are invited to participate in all scheduled events.

The annual Moose State Convention will be held at the Conrad Hilton Hotel in Chicago on Friday, Saturday and Sunday, Sept. 19, 20 and 21. All members are invited to attend these sessions which will help increase one's knowledge of the responsibility they have assumed.

Lindenhurst News

By Mrs. Bernice Bernau

356-5649

ALTAR AND ROSARY The Altar and Rosary Sodality of Prince of Peace Church will meet Wednesday, Sept. 3, at 7:30 p.m., starting with Benediction. All ladies of the parish are invited to attend.

BIRTHDAYS A very happy birthday is wished twins Sherry and Sandy Greear, Timmy Jenewein, Irene Plouviez, Patricia Ann Irvin, Jimmy Crutchfield, Joseph Cook, Michelle Louise Raucci, Julia Pearson, Ricky Leukhardt, Jane Reiser, Glen Larson, Donna Lynn Wismer, Sharon Bunkelman, Daje Manuel, Ricky Drago, and Mitchell Kleban.

ANNIVERSARIES A very happy anniversary is wished for the Fred Gilsons on Sept. 1. They will be married 18 years. Louvina and Hilton Woodard will be celebrating their seventh wedding anniversary Sept. 1. Florence and Ted Gruszczki will be married 20 years Sept. 3. Bill and Joanne Kempinski will be married 12 years Aug. 30. Dorothy and Ray Verdick will be celebrating their 41st anniversary Sept. 2.

HOSPITAL PATIENTS Alice Campbell, a former resident of Lindenhurst is a patient at Victory Memorial Hospital. She is undergoing various tests.

Allendale Sets Auction, Rummage Sale

The Allendale House Parents Association will sponsor a Rummage Sale and White Elephant Auction on Campus, Saturday and Sunday, Sept. 13 and 14 from 10 to 4 p.m.

Anyone wishing to donate rummage articles please call Mrs. Jean Hain, chairman, at EL-6-5683. The articles will be picked up.

The proceeds from the sales will be used to publish a year book for the association's recreation fund for the boys.

By Lillian Birdsell

Waukegan's Moose ritual team, consisting of chairman Art Nobis, Governor Carl Papp, junior governor Ed Nehls, prelate Cliff Benham, past governor Robert Peterson, orator, Fred Brumm and sergeant-at-arms John Moran performed the enrollment ceremony for new members at the Antioch Moose Home Saturday evening, Aug. 23. It is considered an honor to have a ritual team from another lodge demonstrate their talents to the new members who are enrolled and it seems to leave them with a better impression of brotherhood for their organization.

New members are as follows: James Ballenger, sponsored by Ron Serwa, Divo Diclemont, sponsored by William Nimmer; John Greenhill, by Robert Hadley; Terry Smith by Robert Bock; Stephen Ziembra and re-enrolled Louis Veckel, both sponsored by George Schmulz, Robert Olson, Thomas Denninger and re-enrolled Frank Savage, all sponsored by Scotty Birdsell. Another newcomer to the Antioch Moose is John R. Bajek, owner of the Colonial Funeral Home in Antioch, who transferred into the Antioch Moose from Chicago Greater Three. All the members were treated to a smorgasbord following the ceremony. The next enrollment will be held on Sunday morning, Sept. 28, with the serving of breakfast first.

The Winner Legion has scheduled a ceremonial for Sunday, Sept. 14, starting at 1:30 p.m., to be held at the Waukegan Moose Home at their new location on Washington street. Now is the time to sign up candidates for this ceremonial. Antioch Legionnaires have taken top honors for the past three years and so far they are in the lead this year, too. The Fellow and Pilgrims are asked to wear their regalia and the members are reminded to wear their tabs. A family style dinner will be served following the meeting and all legionnaires and their ladies are invited to attend.

The annual Moose State Convention will be held at the Conrad Hilton Hotel in Chicago on Friday, Saturday and Sunday, Sept. 19, 20 and 21. All members are invited to attend these sessions which will help increase one's knowledge of the responsibility they have assumed.

The governor of the Antioch Moose, Jerry Kusch would like to remind the members of the many activities that have been planned for their enjoyment. The September bulletin will be in the mail soon and all members are invited to participate in all scheduled events.

Louis Bitto Spends A Day At College

Louis Bitto, 202 Mill Rd., Wildwood, Ill., spent 24 hours in registration and orientation recently at Carroll College, Waukegan, Wis.

He and his mother, Mrs. Louis H. Bitto, were overnight guests of the college.

The orientation program provides an opportunity to both the student and his parents to become acquainted with the academic program and get a preview of some aspects of student life.

While students took reading interest and measurement tests, and had conferences with their advisors, parents met with the deans and toured the campus. Later, President and Mrs. John T. Midgough were hosts at their home for coffee for the parents.

Millburn Ladies To Hold Dinner

A cafeteria dinner will be served to the public by Millburn Ladies Aid of the Millburn Congregational Church at noon Thursday, Sept. 4, in the church dining room (Lauren Hall).

A business meeting will be held in the afternoon.

By Fran Boxley

THURSDAY, AUG. 21 The regular business meeting of the Antioch Women of the Moose. It was a very busy evening with some plans made for the year.

Our Junior Regent Anne Slicker brought a visitor from a Waukegan chapter, Betty Childress. We enjoyed her company. As always, we welcome visitors from other chapters.

Judith Page, new chairman of Homemaking Committee is to receive her chapter pin for attending three consecutive meetings, THURSDAY, SEPT. 4.

The Publicity Committee is in charge of the Chapter Night program and plan to have a different type of Publicity skit. The evening is planned to be a real fun one with an installation of new members.

Fashion Show Arranged For Sept. 17

The 16th District Illinois State Nurses Association will sponsor a Scholarship Fund Fashion Show on Sept. 17, at 8:00 p.m. at the Waukegan Dry Goods Store, 7 North Genesee St., Waukegan.

Many new fall fashions and exciting new styles for the holidays will be shown. The tickets are \$1.50, the proceeds will be used to further nursing education scholarships. This should be a night to remember.

Members of the 16th District Illinois State Nurses Association and their daughters will be models. Plan to attend and bring a friend.

Ribbons Won By Antioch Garden Club

Mrs. Elmer Christophersen won a blue ribbon for her table, with a Flag Day theme, at the Fox Lake Flower Show.

Mrs. Paul (Fran) Kabot's table with a golf motif, won a blue ribbon at the Grayslake Garden Club Flower Show.

In addition to winning the awards for the Antioch Garden Club both Kay and Fran picked up additional blue ribbons for entries in other classifications at the Fox Lake Show.

The awards were announced at a luncheon and card party held by the Antioch Garden Club where over 100 attended.

It was a most successful luncheon due to the efforts of Mrs. Peter Lackowski, chairman, and Mrs. Kabot, co-chairman, and their committee.

WCS MEETING

The first annual meeting of the Antioch Chapter of the WCS will be held Wednesday, September 3, 1969, 12:30 p.m. at Wesley Hall. Dessert and coffee will be served by the Martha Circle.

The guest speaker will be Mrs. Draper Bishop, former president of the Elgin District of WCS. The topic will be "Are We Moving Ahead?"

Friends of the church are invited to attend.

Rescues Crewman

GREAT LAKES, ILL., Aug. 15—Gunner's Mate third class Gary R. Kerkman, USN, son of Mr. and Mrs. John A. Kerkman of Route 2, Salem, Wis., was awarded the Navy and Marine Corps Medal for heroic action in Vietnam.

He received the award during ceremonies held at Great Lakes Naval Training Center, Great Lakes, Ill.

He was serving as a boat gunner in Vietnam when he saw a helicopter lose power on take-off and fall into the Ham Luong River. When his boat reached the scene he was able to pull one of the helicopter crewmen aboard.

When he saw another crewman lose his grip on a life ring, Petty Officer Kerkman dove into the water in an attempt to rescue the drowning man. Although he was hampered by the strong river current and the heavy combat boots which he wore, Petty Officer Kerkman was successful in saving the man.

He is currently serving at the Naval Training Center at Great Lakes.

Petty Officer Kerkman entered the service in July 1966.

Lakeside Rebekah Lodge No. 82

Friends' Night was celebrated at the August 20th meeting of the Lakeside Rebekah Lodge, held in the American Legion Home, Rebekah guests were present from Waukegan, Libertyville and Crystal Lake. The District Deputy President Mrs. Viola Vickery, Libertyville; District No. 3 President Mrs. Hylamae Eustace, Waukegan; District President Mrs. Tressie Hoffman, Crystal Lake, and the District Secretary, Mrs. Vernon Gahagan, Waukegan, were their honored guests. Mrs. Walter Buchert, Noble Grand, was the presiding officer. Mrs. Clarence Larson was in charge of the refreshments.

There will be a nomination and election of officers held at the September 3rd meeting, at the Antioch American Legion Home at 8:00 p.m.

A Dessert Luncheon and public card party will be held at the Antioch American Legion Home on September 4th, at 12:30 p.m.

Bradley W. Brenna Makes Dean's List

Bradley W. Brenna, R. 1, Box 149, Lake Villa, has been named to the Dean's List of the University of Illinois Chicago Circle Campus during the spring academic quarter.

To Place Society or News Items Call 395-4111

CHRISTIAN SCIENCE CHURCHES

"Christ Jesus" is the subject of this Sunday's Christian Science Lesson-Sermon. It includes these verses from Philipians: "Let this mind be in you, which was also in Christ Jesus: For it is God which worketh in you both to will and to do of his good pleasure."

Services, which are open to all, will be held at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, at 11 A. M.

A passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy refers to Christ Jesus "His purpose in healing was not alone to restore health, but to demonstrate his divine Principle. He was inspired by God, by Truth and Love, in all that he said and did."

*Philipians 2:5, 13. **page 51.

How Justly Are You Treated?

Listen this Sunday to the Christian Science Radio Series for some interesting insights on this question.

There is still time to fill the gift bag for the serviceman in Vietnam, reports the American Red Cross. The items shown in the photograph can be sent as Christmas packages to the GIs who will miss Christmas at home.

Dairymen Get New Milk Price

A superpool blend price of at least \$5.03 per hundredweight, eight cents over June and 15 cents higher than the July 1968 producer price, will be paid dairy farmers for Grade A milk delivered during July to Chicago-market plants within zone 1 of the Chicago regional federal milk order.

This was announced by Pure Milk Association, Chicago market agent for Central Milk Pro-

JUST ARRIVED?

KEEP IT CLEAN

by Virginia M. White

DEAR MRS. WHITE: Living in the South, my biggest problem is mildew. Have you a solution for these stains? **DESPERATE.**

DEAR DESPERATE: Brush stained areas outdoors in sun. Launder in hot water, adding 1/2 cup Super Cleaner, 1/2 cup NON-chlorine perborate bleach, 1/4 cup detergent. Mildew is a mold and should be attended to promptly. Areas sustaining mold can rot. Good luck.

DEAR MRS. WHITE: Collars and cuffs impossible to clean. Please advise. **GRATEFUL.**

DEAR GRATEFUL: Soil is from body oil. Pretreat with liquid laundry detergent, rub in, allow to stand 25 minutes. Launder in hot water, adding 1/2 cup NON-chlorine bleach and a little more detergent.

DEAR MRS. WHITE: My problem is catsup stains. Is there a remedy? **MRS. E.M.**

DEAR MRS. E.M.: Stains containing tomato content should be presoaked in cold water. Follow-up with washing in hot water, adding 1/2 cup Miracle White Super Cleaner, 1/2 cup NON-chlorine bleach, 1/4 cup low sudsing detergent.

DEAR MRS. WHITE: I cannot remove ball point ink from my son's white shirts. **GRATEFUL.**

DEAR MOTHER: Try either hair spray or denatured alcohol (diluted in equal parts of water). Place tissue or blotter under stain; work from reverse side of cloth. Apply hair spray or diluted alcohol. Absorb ink as it comes through on tissue (replacing as needed). Launder in heavy suds and 1/2 cup NON-chlorine bleach.

Get a free stain removal chart. Write V. M. White, Miracle White Company, 1741 West Fullerton Avenue, Chicago, Illinois 60614.

It's not only the ABC's of housekeeping that can get you down, it's also the Q, R, and S's. Here are some clues to curing the Q-R-S problems.

Q—QUERULOUS? If you don't feel like doing any housekeeping today, don't. That way, you'll be homekeeping, which is the most important thing anyway.

R—REFRIGERATOR sound sick? Before you summon the repairman, look behind it. Assorted bowls, cutlery, toys and even tennis balls behind the refrigerator may be causing appliance death-rattle. While you're at it, give baseboards and floor in the area a good scrub-down.

S is for SICKROOMS—and sanitation. Here's where a high-concentration pine oil product is a must. The more pine oil in a product, the more germs get banished. Pine oil disinfectants used all around a sickroom not only disinfect the area, but clean and deodorize it at the same time. Use this disinfectant for furniture, floors, window sills, blinds, linens and clothing—everywhere germs gather and multiply. Save yourself some work by removing scatter rugs from the sickroom—then you just have to wash them once.

S is for SPONGES too—a sponge used to be something that lived at the bottom of the sea. Today man-made sponges work for you all around the house—sponges come in colorful loaves looking like rainbow bread, come in cube size at the end of a stick for dishwashing, turn up in giant size for cutting to fit in ovals, bricks and cloth-like. You can even put the color in the sponges to work for you. Assign a different color sponge to a particular cleaning job.

Hearing Equipment Donated To SS Hope

FOR BETTER HEARING

On behalf of hearing aid dealer-consumers throughout the U.S., some \$50,000 worth of hearing aids, diagnostic equipment and accessories were recently presented by Raymond Z. Rich, president of the National Hearing Aid Society, to "Project Hope."

Mr. Rich (above right), of Cleveland, O. is shown making the presentation to Ceylonese Ambassador Oliver Veerasinghe and Mrs. Veerasinghe in Florida as the famed hospital month visit to Ceylon. Also participating in the ceremonies were Dr. William B. Walsh, president and founder of Project Hope, and Samuel P. Lybarger, president of the Hearing Aid Industry Conference.

The nationwide project to help the handicapped in Ceylon through "Project Hope" was conducted by the National Hearing Aid Society and the Hearing Aid Industry Conference.

Among the equipment donated by hearing aid dealers and manufacturers were nearly 200 hearing aids, hundreds of batteries and other accessories, an auditory training unit, earmold materials, and special test and teaching devices.

"Since loss of hearing is one of the most common physical

Youth Home Residents Get Teaching

Juveniles at the Lake County Youth Home in Waukegan spend the greater part of each day in the classroom.

Superintendent Floyd Westerfield says the school program at the home was instituted to help youngsters continue their education while being detained and to fill the long hours while awaiting disposition of their cases.

Average length of stay at the home is ten and one-half days, although some juveniles have been held for over one month. Maximum capacity of the home is 30 youngsters with the daily average running between 22 and 26. The charges range in age from 12 to 17.

Westerfield explained that the home is really a holding facility, not a penal institution, and provides an environment more conducive to rehabilitation than one could hope for if youngsters were thrown into cells at the county jail with older, more hardened criminals. Most of the youngsters brought to the home have been charged with minor offenses, such as petty theft, larceny, vandalism, etc.

Over 500 youths were detained at the Lake County Youth Home last year, although all were not from this county. Westerfield said few of Illinois' 102 counties have such a facility.

Abbate Gives Tips For Safe Driving

Helpful tips for taking a family auto trip over Labor Day weekend in comfort and safety are passed along by C. Abbate, general manager of Pittman Pontiac, a member of the nationwide Auto Dealers Traffic Safety Council.

"Whether you're on a long trip or just driving a few miles, the key word is control," C. Abbate says. "That means control of your car, control of yourself, and control of the situation."

The "control" tips are:

(1) Control your car's safe driving condition. Before your trip, get a thorough safety-check of all "active" safety equipment, including brakes, steering, tires, lights, turn signals, and other "control" items. Have any safety defects repaired.

(2) Control your carload. Remember, heavy loads put an extra burden on tires, brakes and shocks, and make a car less maneuverable. Don't stow heavy objects loose on the back shelf. Don't let luggage or passengers interfere with vision. Keep children sitting down!

(3) Control yourself and passengers with safety belts. They not only can prevent death or serious injury in case of a crash, they also cut fatigue by holding you firmly in your seat.

(4) Control the distance you drive in one day, or one "sitting." Break your trip frequently to stretch your legs, relax your muscles and rest your eyes. Stop

impairments." Mr. Rich remarked, "We hope that the joint efforts of the nation's dealers and manufacturers will be of value in the educational, diagnostic, and therapeutic activities of 'Hope' in Ceylon."

Mr. Rich praised efforts of hearing aid dealers in this campaign and in their continuing endeavors to help the hearing handicapped in the United States. He pointed out that many persons in this country suffer from impaired hearing, yet are reluctant to seek help for their problems.

According to Mr. Rich, a recently published N.H.A.S. booklet entitled "How to Choose the Right Hearing Aid for You" answers the most commonly asked questions regarding hearing aids and hearing aid dealers.

A free copy of "How to Choose the Right Hearing Aid for You" may be obtained by writing: National Hearing Aid Society, 24261 Grand River Avenue, Detroit, Michigan 48219.

CLC Offering Dental Class For 20

One of the many career programs announced for the fall semester by the College of Lake County is the one-year Dental Assistant program. The College is planning for a class of 20 full-time students in this program when College of Lake County classes begin September 25.

The Dental Assistant curriculum consists of two semesters' work including lecture, laboratory and clinical instruction. The Dental Assistant is prepared to be an integral part of the modern oral health team, assisting in office management and aiding the dentist as a chairside assistant and laboratory aide.

Graduates receive a certificate as a graduate Dental Assistant and are eligible to take the certifying examination given by the American Dental Assistant's Association.

Director of the Dental Assistant Program at CLC is Mrs. Elizabeth Peterson, former instructor in a similar program at Rock Valley College. Mrs. Peterson is a graduate of the University of North Carolina as a Certified Dental Assistant. She comes to CLC with eight years' experience as a Dental Assistant in Rockford, the past three years as Rock Valley Junior College's Dental Assistant Director.

Students are selected for the program after an interview with the program director. Applicants must be high school graduates or the equivalent, be in good health, obtain satisfactory scores on standard tests required by the college and meet the general admission requirements of the college.

Students who are interested in applying for admission to the Dental Assistant program should request information and application forms from the College of Lake County, 19351 Washington St., Grayslake.

for the night before you're worn out.

(5) Control any impulse to have "one for the road." Alcohol plays a part in at least half the fatal traffic accidents. Medical authorities say a person planning to drive should limit himself to one normal-size drink an hour, and let at least one hour elapse after his latest drink before taking the wheel.

(6) Control the situation. Learn your car's safety controls and how to use them. Keep your eyes on the road, your hands on the wheel, and your mind on your driving. And—watch out for the "other guy."

"The Auto Dealers Traffic Safety Council has developed a series of safety education materials which go into detail on these and other aspects of safe driving and car safety maintenance," reports Abbate.

"Our dealership will be glad to make these materials available to families planning trips—or to any safety-conscious persons. We'd like to see everyone in Lake County get the SAFETY Habit!"

It's easy to place a classified—Just dial 395-4111.

Coast Guard Academy Sets Competition

The next annual competition for appointment to the United States Coast Guard Academy will commence with the December 6, 1969 administration of the College Entrance Examination Board tests.

These are the last CEEB test results which will be accepted for evaluation for the Class of 1974. Appointments to the Academy are tendered solely on a competitive basis with no congressional appointments or geographical quotas. Applications for appointment must be submitted to the Director of Admissions, United States Coast Guard Academy prior to Dec. 15, 1969, and arrangements to participate in the prescribed CEEB tests should be made through the high school guidance counselor.

To qualify for the competition, an applicant must be unmarried and have reached his 17th but not his 22nd birthday by July 1, 1970. The minimum educational requirement is a high school diploma, however, high school seniors assured of graduation by June 30, 1970 are eligible to compete provided that they have at least 15 credits by that time. Applicants must have completed three units in English, and three in mathematics including algebra and plane or coordinate geometry or their equivalents, and must fulfill the basic physical and moral requirements.

Qualified young men are urged to enter this nationwide competition for appointment as cadets in the nation's oldest seagoing service. Those appointed will receive an excellent college education which emphasizes engineering-physical science, social science, or marine science-oceanography and leads to a Bachelor of Science degree and a commission as an Ensign in the Coast Guard.

Additional information and application forms can be obtained from high school guidance counselors or by writing to the Director of Admissions, U. S. Coast Guard Academy, New London Connecticut 06320.

Watch For Children While Driving Auto

In Illinois each year, many children between one and 14 years of age die in motor vehicle traffic accidents. "More than half of the children killed were pedestrians. Of the injured, thousands were children on foot," Jerry Klebe, Executive Director, reported today.

Children crossing or entering a roadway NOT at an intersection was the most dangerous practice, according to Director Klebe. Drivers should always watch for children crossing in mid-block or dashing from behind parked cars. When school opens early this fall, this precaution is doubly important. Many of these small fry will be attending school for the first time and cannot be expected to obey the safety rules at all times.

Defensive drivers will expect the unexpected from these small fry and slow down when they are present. In fact Illinois law requires motorists to drive only 20 mph through school zones when signs are posted on school days and children are present, Director Klebe pointed out.

The child dashing into the street from behind a parked car in front of a moving vehicle presents one of the most difficult accidents to avoid. The experienced driver will look under those parked cars at the curb for a pair of little feet and when he sees them, will come almost to a stop before passing that parked car.

The careful driver will treat all children on the street or highway as caution signs. Director Klebe urged all motorists to drive as though all children on or near the streets were members of their own families.

The prayer of faith will save the sick.—(James 5:15)

How often we have heard the words, "Thy faith hath made thee whole." Yet, during times when we have had need of healing, we may have wondered how to have the faith that heals and sets free. Many persons who have been healed have spoken of a peace and a release that come to them, like a prelude to their healing, as they prayed. Let us make our prayers powerful and vital, prayers of living faith in God's healing love.

New Policy For Army Recruiting

Lieutenant Colonel Gene E. Vollmer, army commander for recruiting in northern Illinois and northwest Indiana, announced today that the United States Army has initiated a new policy which makes Army veterans discharged in grades E-6 and below eligible to reenlist without a loss in grade.

According to Sgt. Ronald Brasket, local U.S. Army recruiter, this move will allow thousands of former servicemen to bring their skills and experience back to the Regular Army without sacrificing one of their hard-won sergeant or specialist stripes.

Under the former ruling, an E-6 had just three months to reenlist and hold his grade if he had less than four years total service. Those E-6's with more than four years service had just 21 hours. Now both categories can have been out of the service for up to 30 months and return without penalty.

It is a different story, however, for those who left the Army in grades E-7, E-8, or E-9. These top non-commissioned officers will still have only 24 hours to reenlist and those who remain civilians for more than a day will have to face a drop-in grade.

Army veterans who have been out of service for more than 30 months must apply for a determination from Army personnel officials to find the grade in which they may be reenlisted. Sergeant Brasket added that he has the forms and additional information at his office at 620 1/2 Washington, Waukegan.

Rescue Squad Fund

Recent donors to the Antioch Lions Club Rescue Squad fund include:

Mr. and Mrs. Laddie Masek, in memory of Nick Nedelcoff.

Mr. and Mrs. Orville Hawkins, in memory of Mrs. Arthur Hawkins.

Mrs. Effie Nelson, Mr. and Mrs. Joseph Horton, in memory of Ralph Fields.

John Fred Larson, Mr. and Mrs. Joseph Fox, Walter N. Hills, Earle R. Gibbs, Mr. and Mrs. Frank Sindelar, Matt Nolan's Resort, Walter Kuklo, Ben Franklin Store No. 1088, Harold Petersen, Ted Poulos, Mr. and Mrs. Pete Waldweller, Marion Buck, Mr. and Mrs. Leeman L. Reeder, Alfred Kuenhold.

Nustra New First Veep Of Recorders

Lake County Recorder of Deeds Frank Nustra of Highwood was elected first vice president of the National Association of County Recorders and Clerks at the recent convention held in conjunction with the annual meeting of the National Association of Counties in Portland, Oregon. Nustra served as second vice president last year.

At the convention, the Lake County official chaired a panel discussion on procedures and ethics. Nustra has pioneered innovations in the field of official recording of documents, including photostating and microfilming procedures.

He is also serving as corresponding secretary of the Illinois Association of County Officials and was 1968-69 chairman of the association's Legislative Committee.

At the Portland conference Nustra was presented two mementoes: on 18 inch glass net buoy, washed ashore from a Japanese fishing trawler; and a rare stone called a "thunderstone" or blemite, a fossil of the cuttlefish from the Jurassic period. Cut in half and polished, the inside looks like a cross section of a small stream with primitive marine life, bottom, banks, and water frozen in rock. A twin set of similar stones was presented to the Secretary of the Interior at the conference.

THE ANTIOCH NEWS

This car will compete at Union Grove, Wis., this weekend at the Great Lakes Dragaway.

Musgrave Takes Feature Race

Musgrave Takes Veteran stock car driver Elmer Musgrave of Mundelein took the feature lead from Bob Roper of Chicag with six laps remaining Saturday night at the Waukegan Speedway to cut the Chicago driver's current win streak short at three.

Musgrave knows something about win streaks as he had one going at Waukegan many years back. Musgrave won 13 features in a row in the 1952 season at the Waukegan Speedway on his way to the season's title that year.

Musgrave has won races as far away as Ascot Speedway in California while driving U.S.A.C. late models and he has also entered M.A.R.C. and A.R.C.A. late model events. This year Musgrave entered two nights of competition at Waukegan in April, finishing third in one feature, before re-powering and rebuilding his Ford race car.

The feature race had five leaders with Dave Stirsman of Deerfield pacing one lap before Jacques Terrault of Lake Villa took over. Roper ran third after one lap and Mike Wolff of Grayslake fourth. On the second lap Wolff passed Roper and started closing in on the leader, Terrault.

The race was stopped in the fifth lap when both Chuck Parker of Lombard and Al Hagerty of Libertyville spun in front of the grandstands. Wolff shot into the lead on the restart with Roper in hot pursuit. In the 12th lap Roper slipped into the lead with his fourth straight feature win now in sight.

Wolff, running second in the 20th lap, lost his right rear wheel powering out of the second turn and spun crazily into the backstretch wall in a shower of sparks. Wolff's car came to rest in the center of the track and the race

had to be restarted at that point.

Musgrave was dead lost at the end of the first lap, but he steadily moved through the field running 12th at five laps, 7th at 10 laps and 4th at the halfway point. He had just taken 3rd spot in the 19th circuit behind Wolff when Wolff's crash put him in second place.

Musgrave stayed glued to Roper's bumper after the restart as Ray Young of Dolton moved up to 3rd spot. Finally in the 24th lap as the cars raced down the homestretch Musgrave tasted the lead. Roper never gave up, sliding inside Musgrave on the final turn, but he wound up second by a car length at the checkered flag.

Young finished third in the feature followed by Terrault and Bob May of Gurnee. Jim Cossman of Waukegan and Frank Cabrera of Chicago were running fourth and fifth respectively in the 26th lap when they tangled, spun and locked together in the infield.

Earlier Cossman had turned in the night's fastest qualifying lap with a 14.85 lap just .03 seconds better than May. Cossman was looking for his first clean sweep of the year as he came from the tail end to win the fast heat race, taking the lead with one lap to go.

May won the fourth heat in exciting fashion as he passed Scott (Continued on page seven)

One of the highlights to be seen at the Westosha Kiwanis Club Rodeo this weekend.

Rodeo Set For Weekend

After many weeks of extensive preparations for its first annual rodeo, the weekend for the Westosha Kiwanis Club Rodeo has finally arrived. Scheduled for Friday and Saturday, August 29 and 30, at 8 p.m. and for Sunday, August 31st, at 2 p.m. the rodeo promises excitement and thrills for fans of all ages.

The rodeo which lasts approximately two hours for each performance will be held at the Bar-M Rodeo grounds just south of Salem, Wis., on state highway 83. Salem is five miles north of Antioch, Ill., and one mile south after Hwy. 83's intersection with Wis. State Hwy. 50.

Ticket prices at the gate are \$2 for adults and 75c for each child. Plenty of free parking will be provided and refreshments will be available on the grounds. Sanctioned by the International Rodeo Association, cowboys will be competing for over seven hundred and fifty dollars in prize money. Many exciting and challenging contests make up the rodeo.

Among the events include wild Brahma bull riding, bareback bronc riding, saddle bronc riding, cowboy's calf roping, steer wrestling, and a cowgirls' barrel race. On the lighter side, no rodeo is complete without a clown and will have one of the funniest rodeo clowns in the entire country to add to the festivities.

This is the first rodeo sponsored by the club. Citing a need for entertainment of this type which the whole family can enjoy, the club plans on making the rodeo an annual affair.

Little League Action

Little League action was resumed on Monday, Aug. 18, with a Round Robin.

The Tigers beat out the Yankees by a score of 6 to 2 with Jeff Schmidt, the winning pitcher, hitting a two-run homer for his own cause. The loser was Warner.

The Sox met the Cubs in the second game and the Sox won out by a 6 to 5 margin. Winner was Ron Sheedlo in relief of Steve Caldwell with Mitch Witt suffering the loss.

On Tuesday, Aug. 19, the Sox met the Tigers with the Tigers victorious by 15 to 11. Brett Franke was the winner in relief of Underhill with Todd Buxton suffering the loss in relief.

LITTLE LEAGUE FINAL STANDINGS

White Division		Wins	Losses
Yankees		12	2
Tigers		11	3
Dodgers		3	11
Pirates		3	11
Gray Division		Wins	Losses
Cubs		9	5
Sox		8	6
Giants		6	8
Cardinals		3	11

Lake Villa Pony League Wins Libertyville Invitational

By Mrs. Bernice Begnau
Lake Villa Pony League swept past Libertyville Sunday, Aug. 17, to win the 13th annual Libertyville Invitational Tournament.

Against a tough Racine nine, Lake Villa had to go nine innings to pull out a thrilling 5 to 4 win. Randy Schneider who went the distance gave up 4 runs on 6 hits, 2 walks and no errors, and struck out a very impressive 19 batters. Lake Villa had 5 runs on 7 hits, 3 walks and no errors.

The second game against Waukegan, Ken Kernus went the distance giving up no runs on 3 hits, 1 walk and striking out 13 batters to nail down an exciting 3 to 0 win. Lake Villa had 3 runs, on 5 hits, 2 walks, and 1 error to eliminate Waukegan. One of the exciting plays of the game was Jeff Denault's steal of home on the lead end of a double steal.

In the third game against Mundelein, Randy Schneider who wasn't as sharp as in the first game; gave up 3 runs, 2 hits, and 5 walks in 5 1/3 innings, was relieved by Ken Kernus who put

out the fire to preserve a 4-3 victory for Schneider. Lake Villa had 4 runs on 8 hits, 1 walk and 1 error.

In the fourth and final game for the championship, it was Lake Villa over Libertyville. Lake Villa took the lead in the second inning when after one out, Ken Kernus lined a home run over the left center field fence to tie the score.

Final score was 6-4. Lake Villa had 6 runs on 14 hits, 2 walks, a hit batsman and one error. The success of winning this tournament goes to the players for their fine play throughout, the four games and to the coaches who have practiced hard for long and many hours.

The coaches are Tom Rush, manager, Ed Taylor, Harry Roman and Phil McDonald. The players are Rick Affolter, Ken Kernus, Jim Maki, Greg Crutchfield, Jeff Denault, Fred Popp, Jr., Tim Merles, Don Kaatz, Randy Schneider, Jerry Jakobs, Chuck Bloom, Mike Leibl, Art Roesch, Bill Wismer, Bill Janssen and Pat Mahoney.

Championship Races Set For Labor Day

The "National Dragster and Funny Car Championships" will be held Saturday, Sunday and Labor Day at the Great Lakes Dragaway, Union Grove, Wis.

There will be separate races for the supercharged funny cars and the nitro fuel dragsters each day plus races with the dragsters racing against the funny cars all 3 days. This is the first national event at the Great Lakes Dragaway where both dragsters and funny cars will race the same days.

Saturday night's races start at 8:30 with the Sunday and Labor Day programs slated for 2 p.m. Over 400 cars and motorcycles are already entered for each day of the 3 day meet. Competition will be held in 12 divisions with a complete separate race program each day.

Nationally ranked drivers include Dickie Harrell of Kansas City, Mo.—Camaro; Paula Murphy of Los Angeles—Barracuda; Don Nicholson of Atlanta, Ga.—Cougar; Doug Walton of Minneapolis, Minn.—Dragster; Arnie Beswick of Morrison, Ill.—Pontiac; Bernie Adams of Milwaukee—Camaro; Duke Ray of Chicago — Dragster; Al Vander Woode of Los Angeles — "Flying Dutchman" Barracuda; Chris Karamesines of Chicago—Barracuda and Dragster; Jerry Caminito of New York—"Holeshot" Ford; Al Fontanini of Chicago—Charger; Marvin Schwartz of Tampa, Florida—Dragster; Paul Sefanski of Detroit—"Super Mustang"; Pat Johnson of San Diego—"Grant Rambler Rebel SST"; Roland Leong of Honolulu.

Burgan Wins Sweep

LAKE GENEVA, Wis.—Dennis Burgan set fast time, won his heat and the 30 lap feature Saturday night, before a large crowd of excited race fans and children on hand for the "Gold Rush."

As spectacular as the clean sweep by Burgan was, it was shaded by thrilling driving he displayed in the feature. He had worked his way into the lead once only to have a tangle with Vern Brown and the two spun out losing nearly a lap. Burgan's drive back to the front lasted until the 20th lap when he passed Ron Schaffer with the screams of the fans drowning out the sound of the motors. All this time, the battle for the number one spot between Schaffer and Mel Schneiderman was a bonus in any fan's race park.

Heat races were won by Delain Doles, Kenosha; Mel Schneiderman, Woodstock; and Harv Dunbar, Woodstock.

The feature race field finished with Schaffer second, followed by Schneiderman, Dunbar and Vern Brown.

All the riches were on the asphalt oval that night as more than \$500 in pennies were tossed onto the track and scooped up by the kids participating in the "Gold Rush."

Sportsman Spectator Stock car events were won by Ray Bauer, feature, and heats went to Roy Redenices, Ron Bauman, and John Brown. Redenices won a second heat in a second car.

Wilmot Modified To Dodd

Jr. Dodd of Waukegan, who is having one of his best of several seasons, of the tough modified stock car races at the Kenosha County Speedway in Wilmot, won the 30 lap feature Saturday night before a standing room only crowd.

His first remarks in victory circle were, "and next week too!" He was talking about the 50 lap Championship race for Saturday night, Aug. 30. While not the final night of the season, that will be the big night at Wilmot for the 1969 season. Saturday night Sept. 6, is the final night and that is also being saved for a rain date of the Championship race.

A problem has come up in the starting field for this Championship race. Sixteen cars are to start in reverse point order. Two drivers are tied for the sixteenth place in point standings which makes the pole spot rather crowded. Jim Bozeman and Paul Cameron are the two. A run off in time trials may be the answer to break the tie, but the matter is still under discussion. The Championship race will pay \$10 to each lap leader and that makes the problem of the pole car quite significant.

Heat race winners Saturday night were Dick Bently, John Arnold, Claude Potter and Jim Sullivan with the semi-feature victory going to John Arnold. Point leader Roger Otto and drivers Bill Bohn and Bergsma, all within reach of the Championship when the racing started, had a slow night without any significant change in positions. Points will count through the September 6 race night and Al Schill has now moved into contention making it a four way battle.

Saturday night's action was clearly indicative of the hard competition of the IRA modifieds as Pop Kline slipped in the first heat and Ray Paulkner went over the third turn rail in the fourth heat.

Bill Howland of Antioch and Randy Rygh, Racine, won sportsman stock car heats with the feature going to Tom Tesko of Racine.

NI-Gas Set Community Conference

A one-day community development conference sponsored by Northern Illinois Gas Company will be held September 18, at Pheasant Run Lodge in St. Charles.

The conference is for mayors, representatives of chambers of commerce and industrial development committees, municipal and county officials, land developers, newspaper people and others interested in learning how to plan for future growth in their local communities.

The program will be opened by several experts in the field of community development who will give conferences an overall view of the conference theme.

The speaker for the noon luncheon will be Calvin D. Johnson, consultant on public affairs for the American Trucking Association and director of customer relations for the Remington Rand Corporation.

William J. Crowley, president of the Illinois State Chamber of Commerce, and chairman of the finance committee of Northern Illinois Gas Company, will speak during the evening dinner portion of the program.

Presiding over the various conference seminars will be Robert T. Edwards, NI-Gas area industrial development consultant; and Ray Dickerson, director, and Harold J. Oosten, deputy director, both of the Illinois State Department of Business and Economic Development.

Other participants will be John E. Shaffer, vice president and director, industrial development, Chicago and North Western Railway Company; Charles F. Willson, director of area development, Continental Illinois National Bank and Trust Company; Donald R. Pacey, manager, economic development department, Illinois State Chamber of Commerce; and John H. Rutledge, vice president, real properties, Swift & Company.

Also, Robert Ady, location consultant, The Faintus Company; Robert Brunton, city manager,

Elmer Thompson, A. Dyke, associate partner, Harland Bartholomew and Associates, city planners; Douglas B. Morton, sanitary engineer, Illinois Department of Public Health, division of sanitary engineering; and Matthew J. Riddell of Greeley and Hanson, design engineers.

Ralph Gerrard, director of area industrial development for NI-Gas, said that more than 600 persons are expected to attend the conference.

DRIVING FOR TRAFFIC SAFETY

by Paul Powell
Secretary of State

We have laws against fire-works as many an old timer will remember them. Children lost fingers and eyes because of these dangerous instruments. Some even lost their lives. Now they are not even allowed on the market. A threat to life and limb was removed.

But what of the modern automobile? Legislation has been enacted to make them safer, to make highways safer, and to regulate the driver to protect himself and those around him. These laws are only as good as the drivers who abide by them.

This week finds us with another long weekend, one that the safety people tell us will be most deadly. Only the individual driver can accept the responsibility for a safe and sane Fourth on the highway.

Drive defensively as though your life depends on it. It does.

For your copy of "Rules of the Road", write to Paul Powell, Secretary of State, Springfield, Illinois 62706.

John S. Dean, standing, vice president of the First National Bank of Chicago, will serve as chairman of the 1970 March of Dimes campaign which will include Lake County. He is shown here conferring with March of Dimes' researcher Dr. Henry L. Nadler, associate professor of pediatrics at Northwestern University.

Musgrave Takes...

(Continued from page six)

Moore of Mundelein with just one lap to go for the win. Bud Herman of Barrington and Roper won the other late model heats and Young took the six lap trophy dash.

The semi-feature race was won by Paul Craddock of Round Lake after Herman and Rich Sundling of Chicago tangled in front of the grandstands in the 8th lap while duelling for first place. George Logan of Chicago placed second in that race with Roger Eder of Chicago finishing third.

Another large field of hobby stocks was on hand with Tom Reuss by-passing numerous crashes to win both his heat and the

feature. Waukegan's racing grandmother, Cora Morton of Zion, led several laps in the feature before finishing second. Paul Lewis of North Chicago was third.

The late models will race in two championship races next weekend at the Waukegan Speedway. Next Saturday they will run in a 50 lap feature race and there will be a fireworks display included on that card. Next Sunday the late models will have a 100 lap feature with a large field expected for that race which will conclude the Sunday night racing at the track. Saturday night races will continue through September.

Call 395-4111 to place a Society or News Item.

Ray Young Victor In Feature

Ray Young of Dolton took the feature lead in the 18th lap Sunday night and cruised on to victory at the Waukegan Speedway. Young also collected the special cash bonus for being the top point winner of the weekend as he finished third in Saturday's feature.

Next Sunday night the late models will be running in a 100 lap championship feature which will conclude the Sunday night races at the track for this season. Saturday night late model and hobby stock races will continue through September.

Paul Craddock of Round Lake led the first lap of the feature before Jacques Terrault of Lake Villa moved in front. Terrault lost the lead to Rich Sundling of Chicago in the next lap after the race had to be restarted due to an accident.

Sundling lead until the 10th lap when Terrault flew back into the lead. Meanwhile in the early going Bob Roper of Chicago and Vern Browne of Waukegan tangled with Browne's car driving over the rear of Roper's. Roper eventually managed to finish sixth for one of his worst showings in many weeks.

Young closed in on Terrault and Sundling around the 12th lap with Dennis Burgan of Old Mill Creek and Bob May of Gurnee right behind. Young passed Sundling

FUNERAL NOTICES

JAMES H. CAPLE

James H. Caple, 74, of Rt. 1 Antioch died Wednesday evening, August 21, at Victory Memorial Hospital, after a short illness.

Born in England on Oct. 15,

in the 14th lap and then took the lead in the 18th lap.

Burgan stayed glued to Young's bumper for five laps before dropping back and settling for second money. Terrault finished third with Sundling fourth and May fifth.

Jim Cossman of Waukegan was moving good in the feature race in the early laps but cut a tire and crashed into the wall while in third spot and moving up.

The preliminary events were exciting as last year's "Rookie of the year" Scott Moore of Mundelein bested a fine field to win his first trophy dash. Burgan won the fast heat taking the lead from Al Gutche of Pleasant Prairie in the last lap.

Chuck Clark won an accident-spiced hobby stock feature with Tom Reuss second and Walt Ewertson third. Clark and John Rowe won the heat races.

1894, he had resided in Antioch the past 55 years. Mr. Caple was a veteran of World War I, serving with the army and was a member of Antioch American Legion Post No. 748. Survivors include his wife Doris Irene, and one daughter, Sister Doris Jean of St. Patrick's School, Wadsworth; also one sister in England.

Services were held at 11 a.m. Saturday, Aug. 23, from Colonial Funeral Home with interment at Mt. Carmel Cemetery, Antioch.

CHARLES M. SMITH

Charles M. Smith, 76 years old of Grass Lake Road near Antioch, Ill., passed away at 4:00 p.m. on Thursday, Aug. 21, at Victory Memorial Hospital. He was born on Nov. 6, 1892 in Niles, Ill., and had resided at Evanston, Ill., before moving to Antioch in 1926.

He had operated Smith's Resort on Spring Lake just off from Grass Lake road for 32 years and retired 8 years ago, when his son, Charles J. Smith took over the operation of the resort.

He had served in the U. S. Army during World War I.

Charles M. Smith married Elsie Miltz on July 20, 1922 at Waukegan.

He is survived by his wife Elsie, one son Charles J. Smith of Antioch, one daughter, Mrs. Violet

THE ANTIOCH NEWS—7

THURSDAY, AUGUST 28, 1969

Ingfors, of Ingleside, Ill., two brothers, James C. Smith, Antioch, and Andrew J. Smith, of Houston, Texas, and five grandchildren.

Funeral services were held at 1:30 p.m. Monday at the Strang Funeral Home in Antioch. The Rev. Philip O. Laurin of St. Stephen's Lutheran Church in Antioch officiated. Interment was in Grass Lake Cemetery.

ELMER HICKS

Elmer Hicks, 63 years old of Beach Grove Road near Antioch, apparently fell into Lake Marie on Friday, Aug. 22, and was found Saturday, Aug. 23, about 30 feet from shore on the east shore of Lake Marie.

He was born Sept. 29, 1905 in Chicago the son of John S. and Mary Hicks. He had been working as a caretaker on an estate at Lake Marie at the time of his death.

He had served in the U. S. Army during World War II. He has no known relatives.

Funeral services were held at 11 a.m. Wednesday at the Strang Funeral Home in Antioch. The Rev. Philip O. Laurin of St. Stephen's Lutheran Church officiated. Interment was in Home Oak Cemetery near Antioch.

40-Million Natural Gas Customer Mark

The natural gas industry has topped the 40-million customer mark. The American Gas Association reports that a 1968 gain of 853,500 pushed the total number of users to 40,560,000.

The number of residential customers throughout the country increased last year by 776,000 while the commercial classification added 70,000 and industrial and other categories picked up 7,500. The cent took place in the service

area of Northern Illinois Gas Company, although NI-Gas serves only 2.5 per cent of the U. S. total.

California led in customers gained with 119,400, followed by Illinois' 66,400 increase. More than half of the new Illinois customers were added by NI-Gas, which passed the one-million mark in 1968 with an increase of 37,200.

PROJECT:
General, Plumbing, Ventilating, Electrical Heating, and Electrical Construction Work, Phase II, for Upper Grade School, Antioch, Illinois.

LOCATION:
On Illinois Route 173, Antioch, Illinois.

OWNER:
Board of Education, Antioch Community Consolidated Grade School District No. 34, Antioch, Lake County, Illinois.

ARCHITECT:
Orput-Orput & Associates, Inc., 206 South Main Street, Rockford, Illinois.

SCOPE OF PROPOSAL:
Sealed proposals for furnishing and installing the Complete Construction Work, Phase II, for the New Antioch Upper Grade School. Separate proposals will be received for the General, Plumbing, Ventilating, Electrical Heat and Electrical Work. The Board of Education shall receive proposals and enter into contract on same.

DATE DUE:
Proposals will be received for

LEGAL NOTICE
PUBLIC NOTICE IS HEREBY GIVEN by the Board of Junior College District No. 532, County of Lake, and State of Illinois, that commencing at 9:00 o'clock A.M. on August 18, 1969, a tentative budget for said District for the fiscal year beginning July 1, 1969, will be on file and conveniently available to public inspection at the Business Office of the said District, 2615 W. Washington St., Waukegan, Illinois, during usual and customary business hours.

PUBLIC NOTICE IS FURTHER GIVEN that a public hearing will be held on said budget at 7:15 o'clock P.M. on the 23rd day of September, 1969 at 2615 W. Washington St., Waukegan, Illinois.

DATED at Waukegan, Illinois this 12th day of August 1969, Board of Junior College District No. 532, County of Lake and State of Illinois.

By: Thelma Sandee, Secretary
(Aug. 28, 1969)

General, Plumbing, Ventilating, Electrical Heat and Electrical Work for the above project, until 8:00 P.M., C.D.S.T., Tuesday, Sept. 30, 1969 at the office of the Board of Education, Antioch Community Consolidated Grade School District No. 34, located at 817 North Main Street, Antioch, Illinois. Bids will be publicly opened and read aloud at that time. Proposals received after the time specified above will be returned unopened. All items on the proposal sheets must be completely filled out by the bidder or his bid may be rejected as incomplete. Sealed proposals are to be identified on the outside of the envelope as to the bidder and the project on which the proposal is submitted.

ACCESS TO CONTRACT DOCUMENTS:

Plans and specifications are on file for reference at the following locations:

Board of Education, Antioch, Illinois
Office of the Architect, Rockford, Illinois
Office of the Architect, Skokie, Illinois

F. W. Dodge Corp., Offices and will be available from Scan Photocopy, Inc., Chicago, Illinois. Drawings, specifications and interpretations may be secured from the office of the Architect, 206 South Main Street, Rockford, Illinois 61101.

Up to two (2) sets of contract documents will be furnished prospective prequalified bidders for \$75.00 for each complete set of bidding documents.

Full amount of the deposit will be returned to bidders who submit proposals, if contract documents are returned in a usable condition within ten days after the opening of bids. The plan deposit of the successful bidders will be retained by the Architect until the "As Built" Drawings have been received and approved by the Architect.

Any Contractor securing plans will forfeit deposits if he fails to bid or withdraws his bid. All bidders who wish plans and specifications mailed to them shall submit a separate non-refundable check of \$5.00 (Five Dollars) for handling and mailing of plans and specifications.

Subcontractors may secure separate blue line prints of the plan for \$1.50 per sheet (non-refundable), specifications for \$1.00 per section (non-refundable). The prime contractors may secure extra bidding documents by submitting \$75.00 refundable deposit per set, plus a separate non-refundable check in the amount of \$25.00 per set, payable to the Architect to cover the cost of handling and printing.

If the successful Contractor has taken out more sets of plans and specifications than the two basic sets of plans and specifications during bidding time, he will receive all of his deposit money back except the \$150.00 for the basic two sets. This \$150 will be returned upon completion of project and submission of approved as-built (record) Seals and Micro-Films.

PROPOSAL GUARANTEE AND SURETY COMPANY
A Bid Guarantee equal to at least 5% but not more than 10% must accompany EACH PROPOSAL. This may be in the form of a certified check, bank draft, U. S. Government Bonds (at par value) or a Bid Bond from a bonding company with a "AAA" rating or better, payable to the Board of Education, Antioch Community Consolidated Grade School District No. 34, located at 817 North Main Street, Antioch, Lake County, Illinois, as a guarantee that if the bid is accepted, bidder will execute and file the proper contract and an acceptable performance and payment bond within the time limited by the Owner. If the successful bidder so files the contract and performance and payment bond, upon the execution of the contract by the Owner the check shall be returned. In case he fails to file such contract and performance and payment bond, the amount of the check or bid bond shall be forfeited to the Owner as liquidated damages.

RIGHTS RESERVED BY OWNER:

The Owner reserves the right to waive any irregularities, reject any or all proposals when, in the opinion of the Owner, such action will serve the best interests of the Board of Education, Antioch Community Consolidated Grade School District No. 34, Antioch, Lake County, Illinois.

WITHDRAWAL OF BIDS:
No bid may be withdrawn for a period of 30 days after the opening of the bids, without written consent. If a Contractor finds that after securing a set or sets of plans and specifications he will not be able to bid the project, he will receive his full amount of the deposit if the plans and specifications are returned to the Architect 10 days before the bid opening date. If he returns the plans and specifications after the 10 day period, he will forfeit his deposit.

WAGE RULES:
The general prevailing rate of wages in the locality in which the work is to be performed for each craft or type of workmen or mechanic needed to execute the contract will adhere to all Federal Laws and Laws of the State, and to all local ordinances and regulations applicable to the work hereunder, and having force of law. By order of the Board of Education, Antioch Community Consolidated Grade School, District No. 34, Antioch, Lake County, Illinois.

By Mr. Richard Harland
President

LEGAL
PUBLIC NOTICE

Notice of Proposed Changes in Schedule To Patrons of COMMONWEALTH EDISON COMPANY

Commonwealth Edison Company hereby gives notice to the public that it has filed with the Illinois Commerce Commission on August 15, 1969 proposed changes in its rates, charges, classifications, rules and regulations for electric public utility service in all of the areas in the State of Illinois served by the Company.

Such changes involve and would effect a general rate increase, including increases in charges in the rates and riders for residential, commercial, industrial and governmental customers. Certain changes in terms and conditions of service and other provisions of the rate schedules also being proposed.

A copy of the proposed changes in schedules may be inspected by any interested party at any business office of this Company. All parties interested in this matter or who desire further information with respect to these changes may obtain information with respect thereto either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission in Springfield, Illinois 62706.
